1. Gleaning Treasures from Scripture: Learning to Read the Bible the Way It Was Meant to Be

Bible study involves determining what the Scriptures meant at the time they were written and how that meaning applies to us today. It's about getting into the Bible as it is meant to be and getting as much out of it as you can!

2. The True Gospel

What is the Gospel? Is it that God loves you unconditionally? Or that God wants to show you his incredible favor and fill your empty heart? Maybe it's about how God wants to transform your life and teach you how to live? Perhaps you've heard that it's about Jesus establishing His Kingdom here on earth. While these statements are true, they are not the Gospel. What is the Gospel then? Sign up and find out.

Why have so many wars been fought in the name of God? These are just a few of the questions and doubts even ardent believers wrestle with today. Come see if there are answers to these questions.
