

# WELCOME TO REDEMPTION HILL CHURCH

*Our mission is to make Spirit-filled disciples of Jesus Christ through the Gospel.*

---

To all who are weary and need rest,  
To all who mourn and long for comfort,  
To all who feel worthless and wonder if God cares,  
To all who sin and need a Saviour,  
This church opens wide her doors with a welcome from Jesus Christ,  
the Ally of his enemies, the Defender of the guilty, the Friend of sinners.

# TRUTHS THAT MAKE US SING

---

We have created this catechism to help us understand the foundational truths that undergird our faith, so that we may be nourished by scripture and sermons in an even deeper way. The questions and answers are adapted from some of the those that Christians have used over the centuries, contextualised for use in our own church, and this particularly point in history. To further aid the study of these materials, we have added references, songs, prayers and write ups to aid our digestion of these truths and to help us engage with the material in a richer way. This resource can be used privately, around the family meal table, for mutual encouragement and discipleship with another believer, or even in evangelism. **Pick up your copy at the Hub** or download to your e-reader at [tinyurl.com/TTMUS](http://tinyurl.com/TTMUS), and **listen to the weekly songs** at [tinyurl.com/TTMUSsongs](http://tinyurl.com/TTMUSsongs).

## RESOUND FAMILY OF CHURCHES

---

**Seita Sakaguchi** and his wife Emma relocated their family from the United States to Tokyo in 2014, following God's call to preach the gospel to the people of Japan. After serving for three years at Grace Harbor Church, the couple felt led to focus their ministry on the residents of Toyosu, a fast-growing neighbourhood with many young families.

With the encouragement and partnership of church leaders, the Sakaguchis planted **Toyosu Community Church** in late 2017, worshipping with a few other families in their home. Each week they seek to study scripture together, applying it to their daily lives and growing together as a gospel-centred church.

The mission of Toyosu Community Church is to multiply gospel-saturated disciples of Jesus, who will faithfully follow God's will in Toyosu and beyond. They long for discipleship communities to flourish and reach more than 2% of the local population with the good news of Jesus, and to see the spiritual landscape of the city transformed.

## PRAY FOR TOYOSU COMMUNITY CHURCH, TOKYO

---

- That God would meet their needs as a multi-cultural family with four children
- That they would continue to meet and befriend individuals and families, developing deeper friendships with those who God has brought into their lives
- That they would be patient with the anticipated long journey of being Christian witnesses in Japanese society (it is said to take an average of seven years for a Japanese person to come to Christ)
- That God would raise up more financial supporters to meet their needs in the upcoming year
